# What is Kayitz Netzer?

Kayitz Netzer is LJY-Netzer's Europe tour. Two weeks with friends on an educational, cultural and social adventure in four of Europe's great cities ... what could be better?

Kayitz Netzer takes you on a historical journey, starting with a tour of Jewish London before moving on to Prague, Budapest and Berlin.

Hear the story of European Jewry, follow its trail and immerse yourself in its culture. During Kayitz Netzer you will be exploring the issues that affected Jews in Europe from the Middle Ages through to the modern day. Take the chance to delve into your own heritage and uncover the tales of our European ancestry.

Kayitz Netzer is a fantastic way to spend your summer holiday. You will have free time to explore each city with cultural activities to broaden your horizons, as well as all the fun of an LJY-Netzer event. From pedal boats on the Vltava in Prague to bathing in the famous Turkish Baths in Budapest and hanging out in Berlin's coolest public squares, Kayitz Netzer will be the highlight of your summer.

# What is LJY-Netzer?

LJY-Netzer is the Progressive Zionist youth movement of Liberal Judaism. We run a range of events around the country throughout the year for young people between 8 and 23 years old, combining fun and games with community, social action and informal education.

We are a snif (branch) of Netzer Olami, the worldwide Progressive Zionist youth organisation. This gives us a link to thousands of other progressive Jewish young people in over a dozen countries around the world.

LJY-Netzer is run by a team of full-time professional youth workers employed by Liberal Judaism who have gone through extensive training and, between them, have decades of experience.

So sign up now  
to be a part of this  
once-in-a-lifetime  
trip around some  
of Europe's  
greatest cities...
