Social Action Fund

Our Social Action fund is run throughout the year, and is distributed to our supported charity. You can contribute by adding £1.76 to the price of this event. For more information, please contact the movement worker team. This year's charity is Maschom Watch, as voted by our members.

Maschom Watch is a volunteer organisation of Israeli women who are peace activists from all sectors of society. They oppose the Israeli occupation in the area known as the West Bank, they oppose the appropriation of Palestinian land and denial of Palestinian human rights. We support the right of Palestinians to move freely in their land and oppose the checkpoints which severely restrict Palestinian daily life.

Since 2001 they have been observing and reporting on the Occupation. On a daily basis we monitor the West Bank checkpoints, the separation fences, the agricultural gates, the military courts and Palestinian villages. They document and keep a record of what they observe and are told.

LJY-Netzer is the youth movement of Liberal Judaism and a branch of Netzer Olami, - a world wide progressive Jewish and Reform Zionist youth movement. We are run by young people for young people and bring our ideology to life in engaging, dynamic and inclusive ways. We run a host of events throughout the year that mix fun, games, prayer, community, social action and informal education with the excitement of getting out and about and being away from home. As well as weekend events, we run loads of other events including a spring camp (Machaneh Aviv), our super summer camp (Machaneh Kadimah), summer tours abroad, a leadership training programme, social action projects and many more. Look out for more great events very soon!
